

# A PARADISE OF NATURE AND ADVENTURE

## TUX WORLDS ADVENTURE WORLDS FOR ALL AGES

### Family highlight

There is a world full of wonder to explore in Tux-Finkenberg. Six themed paths take all ages on a journey through the fantastic Alpine landscape of Tuxertal. These inviting paths extend from the icy caves of the Hintertux Glacier, to gentle Alpine pastures and mountain slopes, down into the idyllic Tuxbach valley. The little glacier flea Luis is your companion through this variety-filled adventure, when both children and adults dive into the adventure realms.
